

Continued from Part 1000

Use a whisk (slowly) if needed.

5 Fold in gently to just combine.

6 Fold in gently a few seconds for a swirly marble effect.

or fold a little more for an even grey-black colour.

7 Spread mixture in baking tray lined with baking paper. Smooth evenly.

Just going to taste a little!!

Sponge

9 Cool 10 minutes in the baking tray then turn out on a wire rack to cool. Peel off the baking paper.

8 Bake 25-35 minutes until light golden brown. When you press the top lightly with your finger it should spring back a little.
